INDEX

TO

VOLUME XLIX.

July 2 to December 16, 1888.

A.

Apparatus, New, for Filling Gas Balloons 51
*Automatic Gas Lighting, by Geo. Keillor 149
Asphalt in Vonezuela 159
Address of President Beck, Southwestern Gas Association .. 183
*Automatic Regulation, the Waterhouse System of 219
Average Meter System, the, for Public Gas Lighting, by G. R. Strachan 222
Alternate and Direct Electric Currents, the Comparative Danger of 225
American Gas Light Association, Welcome Tendered to by the Consumers Gas Company, of Toronto 290
American Gas Light Association, Sixteenth Annual Meeting of 300, 345
Address of President Turner, Americon Gas Light Association 302
Appointment of Committees, Am. Gas Light Asso 303
Amendments to the Constitution, Am. Gas Lt. Asso 303
Arrangements, Committee of, Am. Gas Lt. Asso 306
Applications for Membership, Report of Committee on, Am Gas Lt. Asso 350
Artificial Stones 421
Air Supply for Gas Burners, a Special, by N. H. Humphrys. 425

B.

Beckton Gas Works, London, a Visit to, N H. Humphrys ... 46
Balloons, Gas, New Apparatus for Filling 51
Boiler Management 116
Boilers, Steam, Coal Tar as a Fuel for 118
Brick as a Building Material, by Prof. R. T. Brown 150
*Bredel's Sequence of Gas Apparatus 260
Badges, Report of Committee on, Am. Gas Lt. Asso 301
Boilor, the Galloway 589

C.

Coal, Output of in the United States, 1887 7
Combustion, Spontaneous 7
*Cincinnati's Illuminated Exposition 8
Compressed Gas for Lighting Railway Cars, the Safety of ... 16
Coal Fields of West Virginia, the, by Prof. I. C. White 39
*Codman, J. E., on Dimensions of Pipe Flanges and Cast Iron Pipes 80
Cements, Constancy in Volume of 81
*Carpenter, Chas. C., on the Heating of Retorts by Gaseous Firing 111
Coals, Relative Value of to the Consumer 116
Cement Floors 117
Coal Tar as a Fuel for Steam Boilers 118
*Calorimeter, a New 148
Corrosion, a New Method of Protecting Iron from 155
*Connelly Gas Motor for Street Railways, the 184
Chemical Processes, the, Involved in the Rusting of Iron ... 259
Cost of Lighting Montreal by Electricity, Estimating the ... 267
Constitution, New, Am. Gas Lt. Asso 303
Committees, Appointment of, Am. Cas Lt. Asso 303
Constitution, Amendments to, Am. Gas Lt. Asso 303
Committee on Place of Meeting, Report of, Am. Gas Light Asso 306
Committee of Arrangements, Appointment of, American Gas Lt. Asso 306
Coal, Injury to by Spontaneous Ignition 340
Committee on Nominations, Report of, Am. Gas Lt. Asso ... 350
Committee on Membership Applications, Report of, American Gas Lt. Asso 350
Coals, Gas, by Jas D. Perkins 351
Cement, Artificial Portland 394

CORRESPONDENCE—

Eastern Engineer's Trip to Toronto, Canada, an 146
Johnson Jay Jay's Supremacy Threatened 123
Letter from the Superintendent of the Georgetown (D. C.) Gas Works 146
Letter from Mr. A. L. Allen 267
Merrits of the Connelly Governor 122
Mr. Somerville Defines his Position in Respect to Self-Sealing Lids 394
President Walsh Makes the Matter Plain 87
What Mr. King Did Say when Discussing Prof. Mendenhall's Lecture 15
"W." Coincides with Mr. Somerville 431

D.

Dibdin, W. J., on Standards of Light 8
Dibdin, W. J., on Photometers 75
Dongerous Currents, Protection of the Human Body from .. 45
*Dimensions of Pipe Flanges and Cast Iron Pipes, J. E. Codman, C. E 80
Decision, the, in Respect of the Validity of the Edisen Patents in England 151
District of Columbia, Annual Report of Gas Inspector of ... 187
Danger, the Comparative of Alternate and Direct Electric Currents 225
Dampness in Foundations 261
Daily Experience and Observations of a Gas Manager, by James Somerville 307
Distributing Gas Under Extremely Low Temperatures, by D. H. Geggie 314
Dynamos, Adaptability of Gas Engines for Driving 340
Distribution of Gas, by Jos. R. Thomas, C.E 383
Deptford Electric Lighting Station, the 388

E.

*Exposition, Cincinnati's Illuminated 8
Edison Patents in England, the Decision in Respect of the Validity of 151
Electric Currents, Alternate and Direct, the Comparative Danger of 225
Estimating the Cost of Lighting Montreal by Electricity 267
Executive Committee Report of, Am. Gas Lt. Asso 300
Election of Officers, Am. Gas Lt. Asso 350
Electric Lighting Station, the Depthford 388
Experiences and Observations, by A. C. Wood 419
Egner, Frederic, on Patents in the Gas Interest Granted the Past Year 420
Economy in the Production of Artificial Light, by N. H. Humphrys 424

EDITORIALS—

Approaching the Gathering at Toronto 145
American Handbook for Gas Engineers, an 218
Amesbury Hearing, the 253
Annual Election, Mansfield, Ohio 254
Back again to Gas 37
Boston Situation, the 218
Cheaper Gas for St. Joseph, Mo 110
Cheaper Gas for Kansas City, Mo 254
Cincinnatian, a, who Knows Whereof He Speaks 417
Death of Mr. Allen Campbell Thorburn 74
Death of Mr. J. M. Murphy 146, 182

INDEX TO VOL. XLIX.

EDITORIALS—*Continued.*

Gas Engines, Cost of ... 338
Helme, Wm , Obituary ... 1
Lesson of the Half Year, the ... 37
Midsummer Outing of the New England Association, the ... 73
Meeting of the Southwestern Gas Association, the ... 182
Municipal Gas Works in Chicago, the Move for ... 381
Municipal Lighting Stations ... 382
Montreal Trouble with Impure Gas, the ... 417
Retirement of the Messrs Cosgrove ... 218
Report from Inspector Spice, a ... 218
Report of Department of Public Works, Phila., Pa ... 382
Ruffled Expert, a ... 418
Southwestern Gas Association, the ... 73
Sargent, Dr. Joseph, Death of ... 337
Toronto Meeting, the ... 109, 218, 289
Why it Looked Doubtful ... 254

F.

Fire Risks, Massachusetts ... 2
French Water Works, a ... 82
Floors, Cement ... 1,7
First Annual Meeting of the Southwestern Gas Association ... 183
Foundations, Dampness in ... 261
Fuel Gas, by Gen. A. Hickenlooper ... 430

G.

*Griffin Gas Engine, the ... 9
Gas Institute Meeting, London, 1888, a Visitor's Impressions at ... 11
Gas for Ligeting Railway Cars, the Safety of Compressed ... 16
*Grebel's System of Tar Firing in Gas Works ... 44
Gas Balloons, New Apparatus for Filling ... 51
Gasholder, Supplying Gas without the Aid of a ... 110
*Gaseous Firing, Principles of, Considered in their Application to the Heating of Retorts, Chas. C. Carpenter ... 111
*Gas for Locomotives ... 124
*Gas Producer, Sheel's ... 150
*Gas Motor, the Connelly, for Street Railways ... 184
*Gasholders Without Upper Guide Framing, by Mr. Thos. Newbigging, C.E ... 187
Gas Inspector, District of Columbia, Annual Report of ... 187
*Gas Engines, Patents Relating to Improvements in ... 138
*Gas Balance, Latest Improvements in, by Frederick Lux ... 224
Gas Wells, Packing ... 254
*Gadd's Spiral-Framed Gasholder ... 255
*Guide-Framing of Gasholders, by Wm. Mooney, C.E. 256, 291
*Gas Apparatus, Bredel's Sequence of ... 260
Gasholders, Preservation of from Rust ... 294
*Gas Washer, Kloenne's ... 295
Gas Balance, the Lux, by W. H. Pearson ... 306
*Gasholders, Construction of, with Wrought Iron or Steel Tanks above Ground, by Fred Mayer ... 312
Geggie, D. H., on Distributing Gas Under Extremely Low Temperatures ... 314
Gas Engines, Adaptability of for Driving Dynamos ... 340
Gas Coals, by Jas. D. Perkins ... 351
Gas, Treatment of Persons overcome by ... 358
Gas Works, Sunday Labor in ... 359
Gas Distribution, by Jos. R. Thomas, C.E ... 383
*Gaseous Fuel ... 385
Galloway Boiler, the ... 389
Guide-Framing of Gasholders: How, and How Far, may it be Dispensed with? by Geo. Livesey ... 422
Gas Burners, a Special Air Supply for, by N. H. Humphrys 425
Gas for Coal as Fuel, by Gen. A. Hickenlooper ... 430
Gas Securities. the Market for 16, 52, 87, 160, 194. 234, 268, 360, 595, 432

H.

Humphrys, Norton H , on a Visit to Beckton Gas Works ... 46
Ditto, on the Purifying House ... 220
Ditto, on the Windsor Street Gas Works of the Birmingham Corporation ... 339
Ditto, on Economy in the Production of Artificial Light ... 424
Ditto, on a Special Air Supply for Gas Burners ... 425
Hartford (Conn.) Gas Works, the, Inspected by a Reporter .. 82
How a "Yankee" Supplied a Western City with Gas for Seven Days Without the Aid of a Gasholder ... 110
Hearing before the Massachusetts Gas Commission on Applications for the Right to Make Water Gas ... 182
How to Keep Tools ... 259
Hickenlooper, Gen. A., on Gas for Coal as Fuel ... 430
How to Treat Persons Overcome by Gos ... 358

I.

Impoessions at the Gas Institute Meeting, London, 1888, a Visitor's ... 11
Items of Interest from Various Localities 12, 47, 83, 118, 156, 193, 229, 264, 297, 341, 391, 427
Iron, a New Method of Protecting from Corrosion ... 155
*Improvements in Gas Engines, Patents Relating to ... 188
In the Purifying House, by N. H. Humphrys, C. E ... 220
Iron, the Chemical Processes Involved in the Rusting of ... 259
Iron Purification, Extra Cost of Wear and Tear of Meters where Used ... 357
Increasing the Productive Capacity of Plant, by A. B. Slater 384

K.

Key, William, on the Scrubbing, Condensing and Washing of Coal Gas ... 147
*Keillor, Geo., on Automatic Gas Lighting ... 149
*Kloenne's Gas Washer ... 295

L.

Light, Standards of, by W. J. Dibdin ... 3
Locomotive, Gas for ... 124
Lectures, the Wright, on the Manufacture of Coal Gas ... 189
*Latest Improvements in the Gas Balance, by Frederick Lux ... 224
Lux Gas Balance, the, by W. H Pearson ... 306
Livesey, Geo., on the Guide-Framing of Gasholders ... 422

M.

Massachusetts Fire Risks ... 2
Massachusetts Gas Commission, Application to for the Right to Make Water Gas ... 182
Manufacture of Coal Gas, the Wright Lectures on ... 189
Mooney, Wm., on the Guide-Framing of Gasholders ... 256
Meter Unions, Standard, Report of Committee on, American Gas Lt. Asso ... 311
Mayer, Fred., on Construction of Gasholder Tanks Above Ground ... 312
Meters, Extra Cost for Wear and Tear of, where Iron Purification is Used ... 357
Memorials, American Gas Light Association ... 357

N.

New Apparatus for Filling Gas Balloons ... 51
Natural Gas and Brine Wells of China ... 122
*New Calorimeter, a ... 148
New Method of Protecting Iron from Corrosion ... 155
*Newbigging, Thomas, on Gasholders Without Upper Guide-Framing ... 187
New Sugg Lamp ... 338
Nominations, Report of Committee on, Am. Gas Lt. Asso ... 350
Naphthaline in Street Mains and Services, How to Prevent. 359

O.

Output of Coal in the United States, 1887 ... 7
*Oxygen in the Purification of Coal Gas, the Use of, by W. A. Valon ... 42
Obituary Note—Isaac Stebbins ... 51
Organization of the Southwestern Gas Association ... 74
Officers, Election of, Am. Gas Lt. Asso ... 350
Observations During Many Years' Experience in the Gas Business, by Jas. R. Smedberg ... 355
Oil Fuel and Insurance ... 395

OFFICIAL NOTICES, ETC.—

New England Association, 1, 37. American Gas Light Association ... 109, 145, 181, 217, 381

P.

Page's, Mr. G. Shepard, Impressions of his Recent European Trip ... 38
*Purification of Coal Gas, the Use of Oxygen in, by W. A. Valon ... 42
Protection of the Human Body from Dangerous Currents ... 45
Photometers. W. J. Dibdin ... 75
*Pipe Flanges and Cast Iron Pipes, Dimensions of the, J. E. Codman, C.E ... 80
*Principles of Gaseous Firing, Considered in the Application to the Heating of Retorts, Chas. C. Carpenter ... 111
Problem for England's Sanitary Engineers, a ... 117
Protecting Iron from Corrosion, a New Method of ... 155
Proceedings of the First Annual Meeting of the Southwestern Gas Association ... 183
President Beck's Address, Southwestern Gas Association ... 183
Purifying House, in the, by N. H. Humphrys, C. E ... 220
Public Gas Lighting, the Average Meter System for, by G. R. Strachan ... 222
Packing Gas Wells ... 254
*Plugs for Testing Pipes ... 261
*Pipes, Plugs for Testing ... 261
Preservation of Gasholders from Rust ... 294
President Turner's Address, American Gas Lt. Asso ... 302
Pearson, W. H., on the Lux Gas Balance ... 306
Perkins, Jas. D., on Gas Coals ... 351
Persons Overcome by Gas, Treatment for ... 358
Productive capacity of Plant, Increasing the, by A. B. Slater ... 384
Portland Cement, Artificial ... 394
Patents in the Gas Interest During the Past Year, a Review of, by F. Egner ... 420

Q.

Question-Box, American Gas Light Association ... 358

R.

Railway Cars, the Safety of Compressed Gas for Lighting ... 16
*Retorts, Heating of by Gaseous Firing, by Chas. C. Carpenter ... 111
Relative Value of Coals to the Consumer ... 116
*Regulation, Automatic, the Waterhouse System of ... 219
Rusting of Iron, the Chemical Processes Involved in the ... 259
Rust, the Preservation of Gasholders from ... 294
Roll Call, Am. Gas Lt. Asso ... 300
Report of Executive Committee, Am. Gas Lt. Asso ... 300
Report of Finance Committee, Am. Gas Lt. Asso. ... 301
Report of Treasurer and Secretary, Am. Gas Lt. Asso ... 301
Report of Committee on Badges, Am. Gas Lt. Asso ... 301
Report of Committee on Standard Meter Unions, Am. Gas Lt. Asso ... 311
Retort Lids, Self-Sealing vs. Luted ... 340
Ross Steam Stoker and Improved Charger, by Capt A. Q. Ross ... 345
Ross, Capt. A. Q., as above ... 345
Report of Committee on Nominations, Am. Gas Lt. Asso ... 250
Report of Committee on Applications for Membership, Am. Gas Lt. Asso ... 350
Remedies for Persons Overcome by Gas ... 358
Review, a, of Patents Invented and Inventions Patented in the Gas Interest the Past Year, by F. Egner ... 420

S.

Standards of Light, W. J. Dibdin on ... 3
Spontaneous Combustion ... 7
